

SPINDLE GIKEN

Authorized Repair Agent of Mitsubishi UE Engine Parts

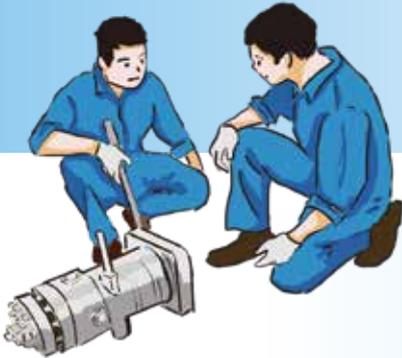

We serve our customers not only to save their procurement cost but also to save delivery time of components so that maintenance onboard can be completed on schedule.

Our One-Stop Repair Service

- ✓ Collection of the items

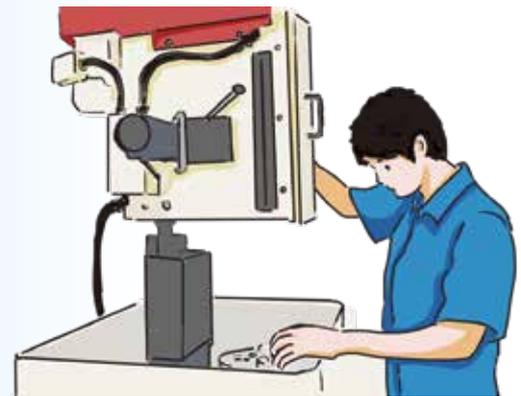

- ✓ Inspection and Quote

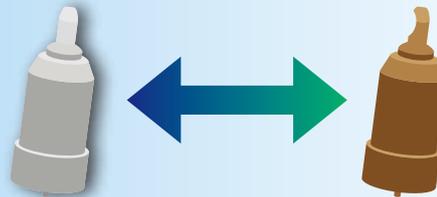

- ✓ Repair and Final Quote

If the item is beyond repair, we will get a new one from the maker directly and replace with the old one. It will reduce your trouble and save time to get a new one from supplier separately.
